3. Vide letter dated 07.05.2026, the promoter was directed to provide the pending information within a week's time under intimation to the Authority so that Auditor can submit his final report.

4. The Auditor has submitted its report on 24.06.2026, which was sent to the promoter through mail for comments. The brief facts of audit report are summarised as under: -

- a) The total amount collected from Phase V allottees (as per the duly signed allottee list) is twenty eight crores seventy four lacs fifty nine thousand five hundred and twenty one.
- b) The total number of plots in Phase-V of Jindal Global City is 246. Out of these, 110 plots have been sold/ allotted by the promoter. Of the 110 sold plots, 69 units stand cancelled, and 2 plots were sold after Dec 2025 leaving 43 active allottees as on the date of audit.
- c) The company has a single collection account used to collect money for all phases in the same project.
- d) The promoter operates the project through multiple bank accounts. The following bank accounts were identified and explained by the promoter in the course of audit:-

"The auditee has claimed that All customer collections pertaining to the project Jindal Global City were initially deposited into:

- Axis Bank Account No. 914020008080974 (now closed); or
- ICICI Bank Escrow Account No. 000705038173.

-Thereafter, funds were transferred in the following manner:

- a) From ICICI Bank Account No. 000705038173 (Collection account) to ICICI Bank Account No. 000705029112 From ICICI Bank Account No. 000705029112 to the RERA Account for Phase V maintained with Axis Bank Account No. 921020027118915
- b) From the RERA Account (Axis Bank Account No. 921020027118915) to Sonapat Project Expenses Account maintained with Axis Bank Account No. 914020011730929 for meeting project-related expenditures.
- c) The funds so transferred were utilized exclusively towards the development and execution of Phase V of Jindal Global City and other phases forming part of the integrated township project Jindal Global City.
- d) The designated RERA/Escrow Account for Phase-V is Axis Bank Account No. 9210200271 18915. The account was misreported in some of communications with authorities. The auditee company has confirmed that it has done inadvertently due to typographic clerical error in RERA correspondence and later on rectified from June 2022 onwards. The matter was examined with respect to the bank statements and fund-flow of the designated account (9210200271 18915) .On perusal of records, it has been observed that the auditee company has duly accounted for all the collections from sale in its books of accounts All

receipts were through proper verifiable channels and the auditee company has incurred more than stipulated 70% collections on project development, withdrawals are based on percentage completion method and are supported by Architect, Engineer and CA certification which are duly submitted to RERA authorities. No discrepancy in recording of Collections and their utilisations has been noticed.

g) As per the Management Representation Letter furnished by the promoter, against the total licensed area of 214.718 acres (comprising License No. 71 of 2009 for 10.262 acres and License No. 24 of 2014 for 104.456 acres) spanning Phase I to Phase V, the promoter has already obtained Part Completion Certificates for an aggregate area of 205.262 acres, as detailed below:

Part Completion Certificate — I: 93.562 acres, dated 10.03.2016;

Part Completion Certificate — II: 107.869 acres, dated 06.03.2024;

Part Completion Certificate— III : 3.831 acres, dated 06.01.2026.

As represented by the promoter, the Part Completion Certificate for the remaining area of 9.456 acres (Phase II: 2.019 acres and Phase V: 7.437 acres) is presently pending.

h) On test check basis, it has been observed that all collections from allottees were made in bank accounts and duly recorded in books of the auditee company and fund collected were used for development of relevant project.”

i) The auditor has made the following recommendations:

a) Ensure all future collections are directly routed to the designated RERA account.

b) Strengthen accounting and reconciliation procedures.

c) Monitor project completion timelines

5. The application for continuation filed by the promoter has been examined and following deficiencies have been observed: -

a) Since part completion for some area has been granted by DTCP, Haryana, the promoter should inform whether the phasing plan has been got approved and this area falls under the completed area as per the phasing plan.

b) Computation of fee be submitted, so that deficit fee if any, could be conveyed.

c) Comments on audit report be submitted.

d) CA certificate is not in order since it does not reflect the independent certification from the CA and is dependent on the data provided by the management of the company.

6. On the last date of hearing i.e., 29.07.2026, Sh. Jyoti Sidana informed that comments on audit report have already been submitted on 22.07.2026. However, since the same have not yet been taken on record therefore, the Authority directed the promoter to submit reply to the above observations and the office to examine the same and put up on the next date of hearing.

7. Vide reply dated 22.07.2026, the promoter has submitted comments on audit report which are reproduced in the annotated form as under:-

S.No./ Audit Point	Auditor's Observation	Reply
1. Record Maintenance	Auditor noted that trial balance, expense ledgers, allottee details, and bank accounts were submitted and found correct.	All records have been duly maintained, produced, and verified. The promoter continues to maintain proper books of accounts and supporting documentation in compliance with HRERA requirements.
2. Statutory Compliances	Auditor observed that RERA registration, quarterly/annual reports were filed and reconciled without mismatch.	Statutory compliances have been duly adhered to. All quarterly progress reports (QPRs), annual reports, and audited financial statements have been filed on time and reconciled with internal records.
3. Receipts vs Project Expense	Auditor verified withdrawals correspond to genuine project payments and noted expenditure exceeds stipulated 70% utilization, hence no adverse view taken.	All receipts were routed through designated accounts and withdrawals were made strictly against project-related expenses. Utilisation has exceeded the minimum 70% requirement, demonstrating promoter's commitment to timely project development.
4. Bank Accounts / Fund Flow	Auditor noted multiple accounts, clarified inadvertent misreporting of designated RERA account, later rectified.	All customer collections were duly deposited and transferred as per regulatory norms. The typographical error in correspondence was rectified in June 2022, and since then all reporting has been accurate. Withdrawals are supported by Architect, Engineer, and CA certifications.
5. Sales & Allotments	Auditor noted 246 plots, 110 allotted, 69 cancelled (OP JGU), leaving 43 active allottees. Refunds with interest are being processed.	Allotments and cancellations have been duly recorded. Refunds to OP Jindal Global University are being processed with applicable interest from promoter's own funds, ensuring compliance and fairness to allottees.
6. Land Records & Clearances	Auditor noted licences valid till 2027, part completion certificates obtained for 205.262 acres, pending for 9.456 acres.	Licences remain valid and part completion certificates have been obtained for majority of the area. The balance 9.456 acres is under process, and promoter is committed to securing completion certificates within stipulated timelines.
7. Project Expenditure	Auditor verified expense ledgers and CA certificate showing ₹4,102.15 lakhs incurred out of ₹4,388.70 lakhs estimated cost.	Nearly 93.5% of project cost has already been incurred, leaving only 6.53% balance. This demonstrates substantial progress and promoter's commitment to timely completion.
8. RERA Compliance Status	Auditor noted QPR filings updated till	We respectfully confirm that all compliance filings are up to date and will continue to be

4/5

	31.03.2026 and annual report received.	filed within prescribed timelines.
9. Recommendations	Auditor recommended routing future collections directly to RERA account, strengthening reconciliation, and monitoring timelines.	Promoter has already implemented corrective measures. All future collections are being routed directly to the designated RERA account, reconciliation procedures have been strengthened, and project timelines are being closely monitored.

8. Vide letter dated 15.09.2026, the promoter has submitted reply which was examined and the Authority observed that since phasing of the colony has not been got approved from DTCP, Haryana therefore it could not be verified as to how much area of this particular phase has been granted part completion from DTCP, Haryana. Therefore, fee could not be compared as per resolution of Authority dated 29.01.2025. Sh. Jyoti Sidana appearing on behalf of the promoter informed that they will deposit the extension fee for the complete area before the next date of hearing.

9. Adjourned to 11.11.2026.
